HONORING THE MANUFACTURED HOUSING INDUSTRY OF ARIZONA

HON. RICK RENZI

OF ARIZONA

IN THE HOUSE OF REPRESENTATIVES

Thursday, September 22, 2005

Mr. RENZI. Mr. Speaker I rise today to honor the Manufactured Housing Industry of Arizona for its work to assist Native American Veterans by donating the materials for the Lori Piestewa Veteran's Center in Arizona that was recently featured on the popular ABC TV show, "Extreme Makeover—Home Edition" seen by 20 million viewers on May 22, 2005.

The Center is dedicated to the memory of Specialist Lori Piestewa, a member of the Hopi Tribe and a native of Tuba City, Arizona. She is believed to be the first female Native American soldier killed during wartime while serving in the United States Army.

I would like to thank Cavco Homes for its generous donation of the Veteran's Center. It took approximately 400 employees from Cavco's Litchfield, Arizona plant working around the clock for four days to complete the building. The home has several large open areas for displays and meetings, a large kitchen and dining room, and two offices or conference rooms. The house also contains a handicap-accessible bathroom, special lighting throughout the interior spaces, and a stucco exterior that fits in with the Santa Fe style architecture so prevalent in the Southwest.

I would also like to recognize the Manufactured Housing Industry of Arizona for working with Extreme Makeover—Home Edition for almost a year to help make this project a reality. The Manufactured Housing Industry of Arizona provides thousands of quality, affordable homes each year to Arizona residents and provides jobs for over 6,500 Arizona citizens in approximately 2,600 industry related businesses in Arizona.

The Piestewa Veteran's Center will serve as a constant reminder of the courage and dedicated service of our Native American Veterans and will provide them with a special place that they can "call their own."

Finally, I would like to commend all of the Native American Veterans—both past and present for their dedicated service to our country.

Therefore, I am pleased to submit these remarks to the CONGRESSIONAL RECORD in honor of the Native American Veterans who served our country with distinction for decades; in appreciation to Cavco Homes for their generous donation of the Piestewa Veterans Center which was built by 400 dedicated employees at their Arizona Litchfield Plant; and in recognition of the Manufactured Housing Industry of Arizona (MHAIZ) and ABC TV's Extreme Makeover—Home Edition who helped make this veteran's center a reality.

CONGRATULATING ALBERT TEGLIA ON HIS RECEIPT OF THE JEFFERSON AWARD

HON. TOM LANTOS

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Thursday, September 22, 2005

Mr. LANTOS. Mr. Speaker, I rise today to congratulate Albert Teglia on his recent receipt of the Jefferson Award and to thank him for his many contributions to his community. The Jefferson Award is given to individuals for their extraordinary work in their community. Mr. Teglia, who is known simply as "Al" to his friends, received this prestigious recognition for his work with the Adopt-a-Family program and as director of the San Mateo County Children's Fund. I congratulate him on receiving this award, and I am proud that he resides in my Congressional district.

Al's work with the Adopt-a-Family program, an organization that he founded, arose after he recognized that many of the families receiving donations during the holiday had needs that lasted all year. As a result, Al suggested that volunteer families sponsor a needy family for an entire year by providing food as well as other needs including, clothing, school supplies, toys, and other necessary items. Because Al believes that directly connecting volunteers and families helps guide assistance to where it is needed most, volunteer families personally drop off the items of assistance, which creates a personal relationship between donor and recipient.

When Mr. Teglia became the director of San Mateo County's Children's Fund in 2000, he brought Adopt-a-Family under its umbrella. Since then, Al has developed a dozen programs that provide needy families with clothing, computers, school supplies, and furniture. Additionally, these programs make available vocational job training, jobs for youth, dental and orthodontic care, and education funds. Al is able to run this important program because of the generous donations and selfless volunteer efforts of many on the Peninsula.

Mr. Speaker, much insight about this extraordinary person can be gleaned by his answer to the question "Who are your heroes?" He lists five historical figures: Abraham Lincoln, George Washington, Harry Truman, Eleanor Roosevelt, and Perry Como. Like his own personal heroes, Al Teglia has been a hero to many. His program reaches beyond just the immediate results because his programs perpetually help the needy. Those who have received assistance from Adopt-a-Family

and the Children's Fund, have commented that they plan to give back to the community just as the community gave to them. Not only has Mr. Teglia's work fed and clothed many in need, but also it has inspired people to give to and uplift those who surround them in their communities. Since its beginning in 1997, the Adopt-a-Family program has helped more than 200 families. In the wake of the Hurricane Katrina disaster, Mr. Teglia reminds all Americans that they can also be heroes and help the victims of Hurricane Katrina as well as the poor in their own backyard. Mr. Teglia remarked, "We need to take care of our home if we are going to set an example for the world".

Al Teglia has diligently served the Daly City community for over 30 years as mayor, councilman, and trustee in the Jefferson Union High School District. He also helped to get BART (Bay Area Rapid Transit) to Daly City when he served on the Board of Directors of Samtrans. Mr. Speaker, I invite my colleagues to join me in thanking Al for his contributions to the community. His friends and colleagues have praised him for his selfless acts of service, and I hope the acknowledgement of this award will inspire others to devote more of their time to helping those in need.

HONORING THE FIRST PRESBYTERIAN CHURCH ON THEIR 100TH YEAR OF CONTINUED SERVICE TO THE FLUSHING COMMUNITY

HON. GARY L. ACKERMAN

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

Thursday, September 22, 2005

Mr. ACKERMAN. Mr. Speaker, I rise today in recognition of the First Presbyterian Church of Flushing, New York. This year marks the church's 100th anniversary and during the past century its members have dedicated themselves to serving God and our community.

The First Presbyterian Church was founded in 1904 when Rev. Benjamin Parlman, unable to find any existing Presbyterian churches in Flushing, built a new church and held its first worship service on January 22, 1905. In the past hundred years, the church has grown and adapted, but it has never once strayed from its commitment to serving our community.

When hardships struck our neighbors, the First Presbyterian Church was there to ease their troubles and offer support in any way possible. During the Great Depression, with a membership of over 425, then Reverend Charles Woodbridge organized employment committees to aid those who lost their jobs. Immediately following the stock market crash of 1929, Rev. Woodbridge helped to establish a relief ministry to support those victimized by the nation's economic plight. When the strain and terror of war struck the Nation during the first and second World Wars, the church continued to console and support its members. Since then, the church has grown in numbers and expanded in size, adding new programs for youth and adults and erecting more facilities for education and worship.

In 1974 a Women's Fellowship was started and not long after Ms. Irene Galati became the first woman elder to be ordained at the
